

Dear guests

We look forward to hosting and pampering you.

For us, food is not just a necessity, but a pleasure full of emotions!
When selecting our suppliers, we pay attention to regionality, sustainability and good animal husbandry.

To ensure quality, to constantly develop ourselves and
to recognize innovations on the market,
we maintain regular contact with our partners.

The quality of our products and good cooperation
with our suppliers is a matter close to our hearts.
